(1) 573 gold coins.
(2) 53 rupees.
(3) A pair of simha lalata muru.
(4) A piece of gold.
(5) One half-finished yali muru and some pieces of gold.
(6) A small wooden box.

C. RANGANATHA RAO SAHIB,
Assistant Commissioner.

MUNICIPAL AND LOCAL FUNDS.

BANGALORE CITY NEW EXTENSION COMMITTEE.

Notice dated the 7th May 1910.

The following revised rules are published for the information of the public in modification of those published under Notification dated the 27th October 1908 *in re* erection of buildings in the new extension between Chamarajendrapet and Basavangudi.

Conditions of allotment.

1. That the price fixed for the site be paid in six monthly instalments, the first instalment being paid on allotment.

2. That building operations be started within three months and completed within twelve months from the date of allotment.

If houses are not built within the limit of time fixed as above, the site shall be liable to resumption and shall be at the disposal of the Government, and the defaulting purchaser shall have no claim to any compensation or to any proceeds resulting from the resale or other disposal of the site.

3. That not less than 40 feet in length of each house site or cottage site be permanently reserved as an open yard or air-space without any erections of a temporary or permanent nature thereon and a clear space of not less than 5 feet in breadth shall also be left on each side of the building.

4. That an open space of not less than 30 and 15 feet should be left in front of cottages and houses respectively. The power of sanctioning any deviation from this rule, in special cases, being reserved by the Committee.

5. That every house should have a decent frontage and the design should be approved by the Municipal President.

6. The minimum size of a room other than the bed room should be not less than 6 feet wide, 8 feet long and $7\frac{1}{2}$ feet high. Sufficient provision should be made for light and air in each room. The cubical contents of a bed room should be at least 1,000 cubic feet. The windows of all rooms shall open into the external air and there shall be counter windows for free circulation of air, if possible.

7. That perishable materials should not be used for the frontages.

8. That before construction is actually commenced, the plan and specification of the building shall be submitted to the President of the Municipality for approval. No mud-roofed houses will be allowed to be built. All buildings should be either tiled or terraced. No lantana hedge will be allowed to be planted around the site.

9. That the level of the floor and the backyard, the position of the privy for purposes of daily conservancy and the form and position of the house-drain shall be as approved by the President.
